This classroom Teacher, Librarian and Nurse salary schedule is for the 2022-2023 school year only. This salary schedule cannot be used to calculate future salaries.

Salary increases for all KISD staff will be determined annually by the Kennedale ISD Board of Trustees during the annual budget process.

Employees on this scale who work 187 days are paid over a 12 month period beginning September 23rd and ending August 25th. Pay increases are effective with the September payroll.

Employees on this scale who have completed an additional degree before the start of the school year will be paid a stipend as follows: (This stipend is paid above the bachelors step.)

Masters Degree - \$1,250

Doctorate Degree - \$1,750
